

Providing support to the Maritime Authority of the Republic of San Marino

## Promotional Campaign

### Private Yachts below 24 m wishing to change flag from Delaware to San Marino

San Marino Ship Register will apply a €400 discount fee to all vessels currently deleting from the flag of Delaware and looking to change flags.

The San Marino Administration requires a deletion certificate from Delaware or, in alternative, a copy of the application/request to delete as well as a non-encumbrance certificate from the Delaware flag. Owners can register in San Marino as individuals with only a copy of passport. Should the owner wish to register as a company, we will need an extract from the Delaware Division of Corporations, not older of six months, which lists all beneficiaries and UBO of the company.
